## As I See It

by Bruce Fowler - Tucson

The day after Christmas I was talking to a PWA (a person with AIDS). He was telling me about many of the problems he was being forced to face as a result of not being able to work. He has applied for Social Security and other forms of federal and state aid, but the process is very slow and results often take months. When you have AIDS, you don't have months to mess around with society's various bureaucracies. You often need help and you need it NOW. This young man's electricity and phone were being disconnected because he could not pay the bills (about \$300, total). In time public aid might be available, but he needed help today.

I asked if he'd called TAP. He said he talked to someone there, but their resources were limited by reduced donations and increased requests for aid - they could not help him. Had he contacted his church? He was not an active member, but he called a local synagogue - they too had no resources to help him. He sat there frustrated, tired and confused, not knowing where to turn next.

Why are our charity organizations unable to help our brothers in this time of need?

Maybe we're all tired of AIDS and we just don't want to think about it anymore. It may be that we really don't feel we have any obligation toward providing "charity" for PWA's. It may be too that we're being very foolish.

## Joshua Tree victim of armed robbery

TUCSON - Joshua Tree owner Bob Bishop, Sr., was the victim of armed robbers last Saturday morning, Jan. 3. Answering a knock at the office door, Bishop was faced with a masked and armed robber. Bishop "instinctively" wrestled with the robber and threw him to the ground, but was knocked unconscious by a blow to the head from a second robber who had been hiding.

The robbers ran away with receipts from the previous Friday night plus banks for the Saturday business. Bishop, handcuffed and tied, was able to free himself

for if we do not help our own then the day may come when there will be no one to help us.

A community that is insensitive to the needs of its members, one that will not meet and solve those needs, is a community destined for oblivion. My experiences indicate that the Gay and Lesbian communities of southern Arizona are made-up of some very caring and thoughtful people; people who will make an effort to help.

There are two organizations in Tucson providing direct support for PWA's. They both are working with very limited financial resources. They need money. They need our help, so that they may help others.

It's time to write a check and set it to one of them. If you don't feel comfortable writing a check, stop by and make a cash donation. Or, mail a check or money order to **THE OBSERVER** (be sure to state that the donation is for "TAP" or "Shanti" for "PWA's"). Your help is badly needed. Without donations, PWA's in southern Arizona face an even harsher reality - a reality we may all have to face one day if we depend exclusively upon Washington and Phoenix for formal funding.

Because of the masks, Bishop was unable to obtain a good description of either men in the robbery. He is offering a \$500 reward for information leading to the identification of either person.

## SECOND ANNUAL ARIZONA GAY RODEO

January 16-17-18, 1987

PHOENIX - The second annual Arizona Gay Rodeo will take place on Friday, Saturday and Sunday, Jan. 16, 17 and 18. All events will be held at the Arena Grounds located at El Lienzo Charro Rodeo Grounds, located at the southeast corner of 29th Avenue and Baseline in Phoenix. The only actual rodeo activity on Friday will be registration of contestants which will be held from noon until 10:00 p.m. at the arena; and from 10:30 until midnight at the St. Francis Hotel, 4321 N. Central Avenue. There will be special activities on Friday evening. Check posters for events being held at several Phoenix area bars.

On Saturday, Jan. 17, the rodeo begins at 11:00 a.m. with a calf-roping event on foot. At noon a parade and Grand Entry of all contestants will take place. At 1:00 p.m. the 2nd annual Arizona Gay Rodeo gets underway officially.

Events include pole bending; bareback bronc riding; breakaway calf roping; steer decorating; flag race; wild cow riding; goat dressing; chute dogging; barrel racing; wild drag race; team roping and bull riding. The rodeo is officially sanctioned by the International Gay Rodeo Association and proceeds will benefit A.S.A.P. of Phoenix and the Shanti Foundation of Tucson.

On Sunday, Jan. 18 the schedule is the same as Saturday with closing ceremonies being held at 6:00 p.m.

Last November, ten Arizona wranglers competed in the 3rd annual Texas Gay Rodeo held in Dallas. Arizona was well represented with ten contestants and their many followers. Two local dance groups - Charlie's Country Cloggers and the AGRA Midnite Ramblers performed throughout the city and were very well received by audiences wherever they performed.

The contestants did Arizona proud bringing home more than 20 ribbons and 6 belt buckles. All ten contestants who entered did place in an event and brought home ribbons, belt buckles or both. Debby Root, Arizona's all-around cowgirl won 3 ribbons and 2 buckles for calf roping on foot and chute dogging.

Other buckle winners were Randy for team roping; Donna, Greg Olson and Dan Iversen for the newest rodeo event, the Wild Drag Race. Those contestants who placed and won ribbons were: Grace, Donna, Bunny, Johnny, Randy, Tony, Debby Root, Sheryl Kanaga, Greg Olson and Dan Iversen.

Admission tickets are \$10 per day on Saturday and Sunday. Free admission to the Arena Grounds/Dance Hall on Friday only. A full-service bar will be available on the arena grounds. You must be 21 years to consume alcoholic beverages. There will be booth space available for concessions at

the arena. Rates are \$15 per day or \$25 for all 3 days. Applications for booth reservations may be obtained from A.G.R.A., P.O. Box 16363, Phoenix, AZ 85011

All rodeo events are open to both men and women. Bull riding and bronc riding are the only exceptions. (Entrants must have had previous experience). Contestant entry fee is \$15 per person per event each day. Stall fees and arrangements should be made directly with the arena at 237-3303. For any additional information concerning this annual rodeo event please call any of the following numbers: 230-1170; 938-3932; 277-9603.

Last year the rodeo was attended by over 4,000 people, making it the most highly attended Gay event in Arizona. Already this year, reservations are pouring in from all over the country from people planning to attend this year's rodeo. It promises to be much bigger and better than last year. Get there early and stay late and enjoy the rodeo and the people - Warm it up in Arizona! Let's Rodeo!

## San Francisco landmark moves to Phoenix

SAN FRANCISCO, CA - It was at a farewell extravaganza that Jose Sarria made public some very "shocking" news. The Widow Norton took the opportunity to make her big announcement: "Jose hits the road." She went on to explain that she was leaving San Francisco to settle down permanently in Phoenix. The furniture had already left town and she would be right behind it on the way to her new home. Her final words on the subject were, "I'm going to be writing my memoirs in Arizona, and all of you had better watch out, I know the dirt about every one of you." Nobody doubted it for a moment.

Jose, The Widow Norton of Empress I of San Francisco and Gay activist, has been a part of the Gay entertainment scene in San Francisco since her first production in 1947, and is just as funny in 1987 as the first time around.

Jose made a dramatic farewell to San Francisco on Saturday, Jan. 3. CONTINUED ON PAGE THREE.

assured. If anyone overhears information, or knows anything concerning this near tragic happening, please come forward so that we may eliminate these and any other armed robbers from our community.

**POLL SHOWS ARIZONANS WANT AIDS EDUCATION**  
PHOENIX (AP) - Nearly all Arizona residents believe students in public schools should receive information about AIDS, and most believe children who have AIDS should be allowed to attend school, a new poll shows.

Last month's survey of 800 adults conducted by the Phoenix Gazette found that 94 percent of them thought schools should teach students about acquired immune deficiency syndrome.

Sixty percent of those surveyed also believed children infected with the AIDS virus should be allowed to attend regular classes.

**LIBERACE SETTLES GAY PALIMONY SUIT**

LOS ANGELES, CA (AP) - Flamboyant entertainer Liberace has settled a homosexual palimony lawsuit filed by his former live-in chauffeur and travel secretary for \$95,000, according to court documents.

The confidential settlement order calls for former Las Vegas dancer Scott Thorson to drop his claims against Liberace for assault and battery and revision of an earlier settlement agreement under which he had already obtained \$75,000.

Thorson, 27, claimed in his 1982 lawsuit that Liberace had pledged when Thorson moved in as his full-time travel secretary, chauffeur, animal trainer and lover that he would be paid \$70,000 a year for life, up to \$30,000 a year for pet care and would be entitled to the use of one of the pianist's luxury homes in Palm Springs or Beverly Hills, for the rest of his life.

**MORE PROOF AGAINST LAROUCHE**  
MONTREAL, CANADA - The LaRouchies have been beaten, but their lies will continue to live in infamy. One of the biggest lies of the recent Prop. 64 initiative in California was the claim that AIDS is communicable by casual contact. A Montreal study would tend to debunk Lyndon's Liars.

A 36-year-old man brain-damaged from a car accident, had symptoms of ARC. Over the course of a two-year period, 30 health care workers who cared for the man sustained bites or scratches leading to puncture wounds. During this time, each person bitten or scratched tested negative for the AIDS antibody six months after the accident occurred.

**CONSERVATIVE SWEDES WANT TO CLOSE GAY SAUNAS**

STOCKHOLM, SWEDEN (TNN) - Sweden, which has always been known for liberal sexual attitudes, is under heavy attack from neoconservatives. Many heterosexual sex clubs have been closed down. The next target appears to be the Gay saunas.

There may be a swap of privileges developing between the government and Gays, however. Swedish government officials may be preparing the way for legalization of Gay marriages.

A lead story in a Stockholm daily paper was headed, "Stop These AIDS Brothels". Social Minister Gertrud Sigerdsen said that "The government will be putting forward a proposition in December concerning homosexuality. We think the need for these (sex) clubs could diminish if it were made easier for homosexuals to form long-lasting relationships."

Under Swedish law, heterosexual couples who live together out of wedlock for long periods, get similar rights to legally married couples. The rumor around this city is that Gays may get the same rights.

**TONGZIGLIAN: IT MEANS SAME SEX LOVE IN CHINA**  
BEIJING, CHINA - "Tongziglian," or same sex love, has become a hot topic of discussion in the huge country of China. Homosexuality is illegal in China. The general consensus here is that Gay sex is regarded as a psychiatric illness.

Nevertheless, what has been basically a taboo subject in this country, is fast becoming a live topic of discussion. Credit the International AIDS crisis for bringing the Chinese into a sense of reality about the subject. The Chinese are learning a few things, however, they may not have been aware of before. Last autumn's television of "We Aelitan", a Hong Kong serial about the adventures of a Tang dynasty empress, was a shocking revelation of homosexuality among the imperial elite.

Some people in China still feel that many of their countrymen are still unaware of just how many Gay men and Lesbians there are in cities such as Beijing and Shanghai. Many Chinese sources confirm the existence of large Lesbian and Gay communities among intellectuals and sons and daughters of high-ranking officials.

According to Chinese sources who have conducted informal sociological research in the mainland, homosexuality is practiced at all levels of society, often as a substitute for heterosexuality.

**GAY BARS FIGHT BACK AGAINST MURDER SPREE**

MINNEAPOLIS, MN (BAR) - Gay bar owners, bartenders and activists declared "Violence Awareness Month" and vowed to fight back against whatever elements have killed seven Gay men in the past year in the Minneapolis area.

City councilman Brian Voyle, a strong supporter of the Gay community, called a meeting of bar owners, bartenders and concerned citizens about the murders. One of the suggestions which came out of the meeting was that a special Gay assistant to police investigators be hired by the city.

Many of the victims were strangled in their home. Gay men were cautioned about going home with strangers and were asked to make sure they tell people who they are dating and who they are taking home in all cases. Sources indicated that the seven victims were usually men who may have had marginal success cruising in the Gay bar setting. Heavy drinkers were also apparently the targets of the murderers.

**CANADIAN GOVERNMENT FILCHES GAYS BOOKS**

TORONTO, CANADA - The Canadian government continued its anti-Gay campaign by confiscating large numbers of Gay and Lesbian materials en route from the United States to Canada. Nearly 100 people picketed Canadian Customs offices in protest of the confiscations.

What does this mean to Canadian Gays and Lesbians? Well, the owner of Glad Day Bookshop in Toronto says the confiscations are not only threatening the life of his business, but also threatening the Canadian Gay and Lesbian population with "cultural genocide".

"I'm not sure how long I can take these losses," said Glad Day owner Jerald Moldenhauer. "My accountant tells me not long at all."

In the last two months, government agents have grabbed more than 1,500 copies of 50 magazine titles. Moldenhauer said the seizures represent a \$10,000 loss.

4 by hot air balloon from the steps of City Hall. The event titled "High Hopes, the Widow Norton's Bon Voyage" took place at noon at the Polk Street entrance to City Hall.

Participating in the grand farewell were the San Francisco Gay Freedom Day Marching Band & Twirling Corps and an assortment of members from San Francisco's Imperial and Royal Court systems. There was also music by City Swing, Gail Wilson and Jeannie Tracy sang "Over The Rainbow".

The activities meshed the legends of Emperor Joshua Norton and the world of the Wizard of Oz. San Francisco Supervisor Board President John Molinari made an official presentation on behalf of the people of the City and County of San Francisco.

The activities climaxed as Jose Sarria entered the gondola of a hot air balloon and departed San Francisco. It was stated with firmness that this was the final farewell event for Jose. Yielding to requests to raise money and emotions, Sarria has, on occasion, chosen to use his name for various "farewell" events.

Jose Sarria was one of San Francisco's most celebrated Gay personalities. For many years during the 1950s he entertained at the Black Cat. Known then as the Nightingale of Montgomery Street, the entertainer was noted for Sunday afternoon presentations of operas which were viewed by many as the personification of high camp.

Because of legal problems that beset the bar, Jose became one of the city's first Gay activities. In one of the first showing of Gay political strength, he ran for San Francisco Supervisor, garnering a very respectable number of votes.

Sarria also became the first Empress of San Francisco. This title became a vehicle for drag as an organizational device in the Gay community. It sprang from the real life character known as Emperor Joshua Norton, an eccentric of the late 19th century.

in San Francisco.

As the Widow Norton, Sarria presided over many official and not so official functions and served as mother to the many Empresses and Emperors that followed.

Planning to write his memoirs and enjoy a degree of retirement in Arizona, we take this opportunity to welcome one of the finest entertainers ever to appear on a Gay stage to Arizona. He has been seen and loved by thousands, and thousand of people while performing in San Francisco. We hope that there might be at least one more "farewell" appearance in Arizona so that Jose can be seen by an entire new and appreciative audience in Arizona.

Welcome to Arizona, Jose!

### AZT shortage to be averted

RESEARCH TRIANGLE PARK, NC (AP) - An official at Burroughs Wellcome, which makes the only drug determined to be effective in treating AIDS sufferers, said that it is adding extra shifts to head off possible shortages expected when the drug becomes commercially available this year.

"We have not added any extra people, but have added extra shifts," company spokeswoman Kathy Bartlett said about the production of the drug AZT.

Azidothymidine, or AZT, is the first medication to prolong the lives of people suffering from the deadly acquired immune deficiency syndrome. It is not considered a cure, but early results of a nationwide study of 282 cases were so encouraging that an independent scientific board decided in September that medical ethics requires giving the drug to additional AIDS patients.

Since then, about 3,000 AIDS patients have been enrolled in the enlarged AZT program.

"I think that we have been able to meet the demand thus far, but we expect the drug to be in limited supply when approved by the Food and Drug Administration,"

## WHAT'S UP DOC?

Well, the holidays are behind us and each of us start out a new year wondering just what 1987 will be like. I, for one, will carry all the love shown over these past holidays, throughout 1987. Remember, those same people who you might have kissed and wished happy holidays, stay the same all year, so you also should carry the happy and friendly feelings toward them throughout 1987.

Now let me try to get this column back to normal (Ha!). The first really big event for this new year is the GoGo Boy Dance Contest. This event, co-sponsored by TKO and IBT's, will be held on January 17 at It's 'Bout Time. A panel of three judges will be picking (hands off!) the three top dancers. Cash prizes will be awarded to each. A small entry fee, to help defray prize monies, must accompany each application. Said applications can be picked up at IBT's, the Graduate and Rumor Hazzit. Watch for the posters to appear, with the applications attached, giving the time and the about each (1st, 2nd & 3rd) prize monies will be.

Starting again today, Wednesday, Jan. 7, is the second half of the "Sam's Place" bowling league over at Fiesta Lanes. There are still a few openings, so if you are interested in bowling on Wednesday evenings, stop over either tonight or next Wednesday at 8:00 p.m. Look me up and I'll get you signed up. Bowling Wednesday nights is a good way of splitting up the week, and besides being good exercise, it's a lot of fun. If you do not already have a team or would just like to substitute, show up next week and we will work something out for you.

Coming up over at Rumor Hazzit on January 11, the T-Squares are having both a graduation of the present beginners class in square dancing and forming a new beginners class. Tommy M. tells me both are open to the public and plenty of food will be available. Stop in Sunday afternoon and witness some good square dancing, and enjoy some fine food. I'm sure everyone in attendance will have lots of fun with a laugh or two also.

Last Sunday I was in attendance at the swearing in of the newly-elected officers of Partners of Tucson. Taking the oath of office for the up-coming year were: Gary, President; Alan, Vice-President; Larry, Secretary/Treasurer; and Gene, Historian. Good luck to each of you and all of Partners, and I look forward to working with the club in 1987. One of the first goals for the year, Gary tells me, is for Partners to become a lot more visible by working more with the community and the other clubs in town.

Gary also promised me that Partners will be having another Panda Salt River Tubing Trip this summer, this time without the Delta Queen, who stole everyone's beer. If anyone out there would like more information on Partners, what this club is all about, or possible membership, contact Gary at 747-5473. One big change for this year in Partners, is they are now accepting Associate Memberships from either one of a married couple or a single person.

As I get word and details on any upcoming events, Partners and all the other clubs in Tucson, I'll pass them on to you through this column. Below is a complete list of the more visible and active clubs in Tucson, listing the contact name and telephone number. Make 1987 the year where you get active in the club scene. With the wide range of interest in

all the clubs in town, I'm sure there is something of interest in at least one of these clubs for everyone. So, contact the one of your personal interest and get 1987 off for yourself in a fun way.

(If all else fails, you can usually find one or more members from each club in either the Graduate, IBT's or Rumor Hazzit).

Once again the warm heart of Tucson showed up last Sunday evening. The Graduate had a guest from Phoenix, not Ron, even though he was here, but one who dressed up like ?, (I'm not sure how to describe that one. To make a long story short, she carried the AIDS donation jar around the bar and before she was finished, \$200 was donated. Then she carried the jar over to IBT's and another \$121 was donated there. Way to go Tucson, and let's pray the cure for AIDS will be discovered in 1987.

With that, I'll bring this column for the week to a close. The TBBS I've got, I'll just save. Have a beautiful week everyone, both here in Tucson and all my readers up in Phoenix. Keith, get with Ron T., he has a couple of pictures for you from me.

AZT SHORTAGE TO BE AVOIDED  
Ms. Bartlett said. "At present time there are some restrictions as how broad will depend on its use," she added.

"We're trying to do several years' work in a couple of months," Dr. David Barry, the company's vice president for research, told the Los Angeles Times. "There will be periods of time when there's won't be enough drug for every patient who needs it."

He added: "We're running extremely fast and catching up, but the disease had a tremendous lead on us."

As of Monday, Dec. 29, 29,003 cases of AIDS had been reported in the United States, of which 16,301 had ended in death.

The FDA, which regulates new drugs, said in September it would accelerate the approval process for all promising AIDS drugs, and that AZT could be licensed as early as January.

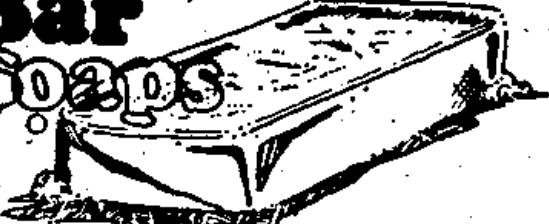

Burroughs Wellcome has increased AZT supplies tenfold every six months for the last 18 months, but accelerated production still will not provide enough of the drug until much later in the year, Barry said.

The manufacturing of AZT requires at least 16 steps and takes several months, he said. Originally, AZT was derived from the sperm of fish, but the company has since developed methods of producing it synthetically.

Despite production improvements, the drug-making process remains lengthy, Barry said.

AZT has been available only to AIDS patients suffering from pneumocystis carinii pneumonia, a respiratory infection caused by a parasite. Other studies either planned or underway will use AZT to treat patients with other manifestations of AIDS.

**ROGER'S HOPE**

While Meave busy's herself with the upcoming rodeo, things at "Ryan's Place" run smoothly as usual. With the coming of the new year, some things will always stay the same. Maggie is still trying to have a baby. Frank and Jillian are still trying to decide whether they are married or not. Delia is still doing shows behind the bar (not on stage... mmm). Rick Hyde still has furniture scattered all over town. Jack Fenelli is still doing shows on the stage (not behind the bar... mmm). Roger Coleridge is still trying to make the world believe that he doesn't know who that local columnist really is. Oh, a bar, a bar.

Some changes have occurred, however. Siobhan and Max are joining a bowling team. That should prove to be interesting. Ryan Fenelli Hyde is putting together a show of shows. One that is so complex that "Ryan's Place" cannot even house the dance numbers.

**NEWS FROM MCC TUCSON**

Last Wednesday night, December 31st at 12:00 midnight, Pastor David Gunton installed Deacon Matthias Hammer as our Worship Coordinator as Pastor Dave's last official act at MCC/Tucson. Pastor Dave then removed his vestments and became a lay member of the congregation. Deacon Matt then took the pulpit and began his duties in concluding this service. Last Sunday, January 4, Deacon Matt, with the assistance of Rev. Bernardo David, led our Sunday services at both the 10:00 a.m. and 6:30 p.m. meetings. Deacon Matt will continue in this capacity until a new pastor has been selected by our Pastoral Search Committee and approved by the entire congregation.

Our first pastoral candidate will be the Rev. Edward E. Perry, now of Seattle, Washington. Rev. Perry with his spouse, Lee Cain, will be in Tucson on January 17 through January 25. Rev. Perry will be preaching at both services on Sunday, Jan. 18, and the morning service at 10:00 a.m. Sunday, Jan. 25. MCC/Tucson welcomes the entire community to these services to hear Rev. Perry and to welcome him to our community.

The annual Congregational Meeting of MCC/Tucson will be held in the church auditorium on Saturday, Jan. 24 at 1:00 p.m. During this meeting, we will be electing three new Board of Directors, a new Lay Delegate and a new Alternate Lay Delegate. Also, at this meeting the congregation will vote on the decision of accepting Rev. Perry

MCC/Tucson is a congregational church, which means that the entire congregation must govern the affairs of this church, electing the pastor, Board of Directors, two delegates to represent MCC/Tucson at all district meetings of the U.F.M.C.C. and approve the budget for the coming year. Many other issues will also be presented at this meeting. All current members of MCC/Tucson have a vote and must be present at this meeting to cast their votes. This is an open meeting, and anyone who is interested can attend this annual meeting.

### STUNT MALIBU CHRISTI FAN CLUB NEWSLETTER

Seems the drought is finally over for Tondaleo and she is now speaking to her sister Congolea. Tondaleo is starting the year off right with a new warm fuzzy.

Billy Jean Queen will never be outdone, but Miss Mae made a valiant attempt by taking a nose dive and getting a very close look at the parking lot at J/T's a few weeks ago.

Is Magic Fingers Madge still in hiding. Are Tom and Jerry still?

Macho Man is still touring the East Coast while Hubbie Bubble is staying away at home.

Sister Bootie now knows the experience of buying a \$2,000 Christmas tree. She took Miss Mae for a roll a few weeks ago, but it certainly wasn't a roll in the hay. And we thought Ronda Jons was the only one who could teach a 4,000 pound pet to roll over. However, Sister Bootie makes them roll all the way over and then makes them take her home. Andre' certainly makes a butch champagne bottle.

So, let's see who ends up keeping those infamous cha cha shoes. Will it be Sister Bootie or Puchie? Thanks to Miss Mae, the battle is on.

Sister Teresa Brewery went back to basics as far as the alphabet goes. Are she and Josie Mae still praying for snow or is

Teresa planning a debut in the Mardi Gras?

Arabella better look out, she now has Miss Jane Pittman as competition for the Air Force title. Miss Latina made it though another birthday. What will she do for her crown this year? Speaking of crowns, is Hubbie Baby trying for the Max Headroom look-alike contest?

Old Fart and Mama Keg Leg are breaking ground for a new bar. Headda Hopper sneaked in and out of town almost completely unnoticed.

Has Mathilda Oz fallen into the Pacific Ocean or has she gone west in search of Sir Lawrence?

Anna Stadia De La O seems to be keeping a low profile. What has she been up to? Ronnie Jordon loves Johnny Alexia and will Bernie become the future famous Louella Parsons transvestite contributor or is Miss Slanders staying in the closet after the cremation? And, Chopie, is not in jail.

So where are Mimi, De De, Bertha, Myrna, Josephine and Lu Lu - Phone Home.

Till next time -

## Juicy Lucy

Well, well, we have finished up with our Christmas and New Year's holiday celebrations and it is now time to start off 1987 with our regular routines. Personally, I had a great time these past few weeks, went to several really nice parties, and got around to most of the watering holes. Got to see a lot of my old friends and got to meet a lot of new ones. While I was out running around, I overheard a few New Year's resolutions - and some of the resolutions were worth repeating while a few were not printable. The following is a list that I compiled of actual resolutions and a few that should have been made but weren't.

BILL N. resolves to sleep at home. DOC resolves to love me even more in 1987.

TERRY resolves to make 1987 "Be Kind to Insects" year.

HARALD resolves to believe Dennis' excuses for staying out late.

FERN resolves to ask Peter's permission before wearing any of his dresses.

GENE resolves to pay attention at meetings with Partners and not pick on Allen.

ROGER B. resolves to let Fern teach him how to walk in high heels.

TOM resolves to keep a smile on his face at all times.

THOM and MAC resolve to have all the redecorating done by Christmas (1987).

CHERI resolves to reach all the way across the bar to serve a drink.

BERT resolves to wear only non-molting boas.

FREDDIE resolves to keep her big stick handy in case of fire on the front stoop of the Grad.

DIRTY DOLLY resolves to find a new bowling team.

AVIVA resolves to win the Miss Gay Arizona title.

HARRY resolves to spend more time in Hawaii.

JASON resolves to take lessons from Roger for quick quips.

CANDI PLASTER resolves to clean up her act and have a new refined, dignified one.

NANCY resolves not to tell who I am, even though she knows.

TOMMY M. resolves to buy me a long neck - just so he can find out how a triangle got mixed in with his circles and squares.

ALLEN and GARY resolve to learn how to put pins on their new officers and members.

ANNIE resolves to wear only bras with zippers.

RON resolves to wear only jockey straps with snaps.

ERNIE resolves to give Bert a longer leash.

JUICY LUCY resolves to be kind to everyone in 1987.

HAPPY NEW YEAR.....

### PUERTO RICAN SOLON WANTS TO LIMIT MOBILITY OF GAYS

MAYAGUEZ, PUERTO RICO (TWN) - Councilman Eduardo Suarez has recently proposed a law which would prohibit Gays, minors or prostitutes from walking near schools or other public sites. This proposal came fast on the heels of a request submitted by police officer Antonio Abad Santiago, who direct the special arrests unit of the Criminal Investigations Division.

Santiago made the suggestion that police be allowed to intervene against anyone wearing clothes considered not suitable for their sex. Mayaguez citizens also have asked that Gays not be allowed to frequent places in the evenings.

Local Gays have expressed doubt that Mayor Benjamin Cole would sign the law even if it were passed by the assembly.

## JOSHUA TREE VOLLEYBALL

FALL LEAGUE

Final Standings January 4, 1987

TEAM	WON	LOST	GAMES PCT.
MEN AT PLAY	43	20	.663
INVISIBLES	39	19	.672
U-GUYS	44	27	.620
MADOLROS	32	21	.500
COLETTE'S	8	16	.333
DOUBLE TROUBLE	19	38	.333
T.H.T.	12	46	.207

This past Sunday was the playoff for first place and also simultaneously, the league championship tournament. Two teams were involved in the playoff for first. Men at Play won the first half of the league and they faced a new team, Invisibles, winners of the second half. As seen above in the overall final league standings, Men at Play had the best record. This plus the history of the league where Men at Play has won first place for the past six seasons, put Men at Play as the favorite to win this playoff four games to two. The team Invisibles did not see it that way and upset the favorite, winning the championship four games to three.

The playoff involved the best out of seven games to win. These two teams went evenly with wins and losses back and forth until after the fifth game where Men at Play led 3 games to 2. This meant the Invisibles faced a do-or-die situation going into the 6th game. They had to win the next two in a row, and this they did, 15 to 10 and for the victory 15 to 5.

The tournament, which went on simultaneously, was a double elimination event. The purpose of the tournament was to give all teams in the league a chance at competing for an award regardless of their standings in regular league play. Thirteen games were played in this event and the competition was heavy. One team came through winning the tournament without a defeat. Congratulations again to the Invisibles as both league and tournament champions.

Men at Play, although they had the best overall record of league play, came in second in the league playoff and also second in the tournament. The team U-Guys, came in third in the league and the tournament.

Congratulations goes also to all the league members. This was the most competitive of all the past seven championship Sundays. This was also the first time all seven teams stuck with the league for the long 14 weeks of play with two cancellations due to rain. At the end of the day, which went from 1:00 p.m. to 6:45 p.m. - a total of 20 games were played.

## A View From Within

A COMMENTARY BY  
CHRISTOPHER GEOFFREY McPHERSON

## THE AWARDS COME POURING IN!

In my April 9 review of the wonderful movie *MY BEAUTIFUL LAUNDRETTE*, I told you that the film's star DANIEL DAY LEWIS would walk away with at least a nomination for the Academy Award. Although the nominations for the Oscar are not yet out (and not expected until Feb. 10), LEWIS has already garnered some awards for his acting in films this year.

The prestigious NEW YORK FILM CRITICS CIRCLE named LEWIS best supporting actor for his work in *LAUNDRETTE*, and his other 1986 release *A ROOM WITH A VIEW*.

Anne Thompson of the LOS ANGELES TIMES SYNDICATE, in a recent run-down of her predictions for the 1987 Oscars, said that *LAUNDRETTE* would probably be overlooked because it is "too grittily low-budget", and it "has no stars". She does have hope for LEWIS though, saying he should still be nominated as best supporting actor for his work on *A ROOM WITH A VIEW*.

There are still a whole bunch of awards and nominations due out in the following couple weeks, and you can be sure to see Lewis' name prominently among the nominees and award winners.

No sooner had my Dec. 17 column hit the stands (*AIDS: Is It Natural Or Man Made?*), than another UPI release hit the press. In the Dec. 28 *ARIZONA REPUBLIC*, a new piece reports on the anger the African nations are feeling toward the United States. They --the Africans-- apparently believe the garbage the USSR is putting out accusing the U.S. of playing with germ warfare, with AIDS the result.

This report even goes so far as to actually state that Gay men were subject of the U.S. germ tests. Before, we were led to believe that Gay men just happened to accidentally get infected --if we believe the USSR propaganda at all. Now, if we believe the USSR reports, it seems the "Pentagon and the CIA were 'testing' AIDS on drug addicts and homosexuals."

Can you blame them --the Africans, I mean. Science pretty much agrees that the origin of the AIDS virus is Africa. If science came out saying that the original of the AIDS virus was Phoenix, I suppose I would be pretty ticked off, too!

They --the Africans-- jumped all over the USSR propaganda, and began yelling and screaming at the

U.S. Somewhere there is an answer to this question. Probably, it will be concluded that AIDS is from Africa -- sorry.

I wonder if Geraldo would be interested in looking into this query -- perhaps he can do another live, syndicated special.

That's the view for now: See you next week!

If you have comments about *A VIEW FROM WITHIN*, please write to me in care of this newspaper. I would love to hear from you!

DEAR BOB AND ALL OUR FRIENDS IN TUCSON:

It is with some regret that we write this. It is also with a great deal of anticipation.

When I went home to Los Angeles, just before the Holidays, I found a job involving a hobby (computers). I also found a small house about a half an hour from the beach. When I got back to Tucson, I of course asked Wayne what he thought of moving. He gave his employer two weeks notice on New Year's Eve.

We will miss you all, and promise to be back to visit. Wayne's family is all here, so we

expect to be back around the Holidays.

We have made so many friends; grown so much in the years that we have lived here. We wish that we could take you all with us. And we will. We will also leave a piece of our hearts here.

We do plan on keeping in touch with the Observer, so that we can keep tabs on all of you.

With our love  
Wayne and Al

## AN OPEN LETTER TO THE GAY COMMUNITY OF TUCSON:

As the newly elected President of "Partners of Tucson", I would like to make a statement to the Gay community on behalf of the membership of Partners as to what our club is actually about.

"Partners of Tucson" recently made the decision to reorganize our club for the purpose of being a more viable part of this community. While Partners is primarily a social club for Gay couples, we feel very strongly that single Gays can and should be an important factor in providing couples with the necessary elements of fulfilling the social atmosphere, both from within and without the confines of the bar scene.

We are a group of individuals who enjoy the interaction of all facets of the Gay community, as long as we are allowed to continue, without interruption, our relationships. "Partners of Tucson" would like to encourage the involvement from the community in our functions, which we hope will be fun-filled and exciting.

I, as President, am committed to making "Partners of Tucson" a viable part of this community both benevolently and socially.

Another very important goal that we would like to achieve, is to become more active in supporting the endeavors of all the other clubs of Tucson.

I would like to say thank you for the moral support that we have received from all the clubs, as this shows that no matter what, we can all work together.

Anyone that would like to have an input on what "Partners of Tucson" can do to benefit this community, I invite your support with my whole-hearted attention.

For additional information about "Partners" next meeting, function, or for any reason at all, please call 747-5473 or write to: "Partners", 1955 S. Stern, Tucson, AZ 85711.

Respectfully yours  
Gary L'Abbe
